

Guidelines for the Poster presentation at MSNANO-2020

We are pleased to invite you for the presentation of your research work in the form of poster. Abstract not exceeding 250-300 words, are invited for poster. Abstracts shall comprise of purpose of study, introduction, methodology, results and the conclusion. Abstracts should be submitted to Dr. Kashif Jeved. Details can be found on the following webpage.

<https://gcuf.edu.pk/msnano/>

There is no separate fee for poster presentation other than the registration fee.

Last date for abstract submission is **25th Feb 2020**

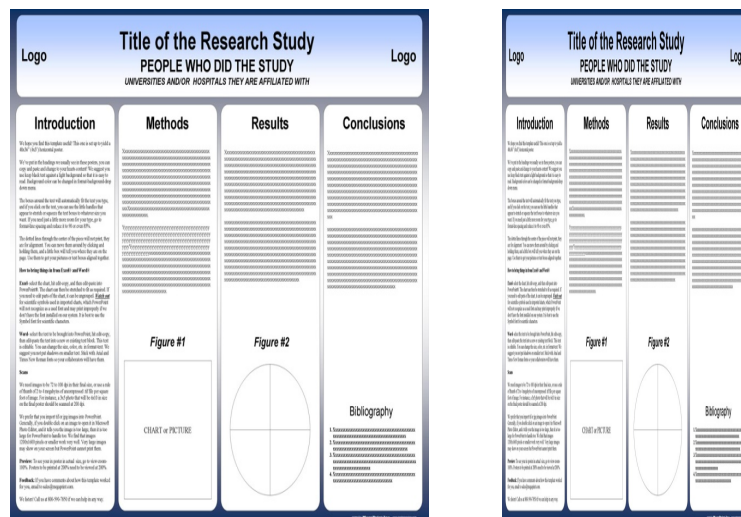

The posters having the student as the 1st author and the supervisor or teacher as the 2nd author of the paper will only be considered in “**Mega Prize for poster presentation**”.

If the first author is a faculty member, then his or her poster will not be considered for poster competition.

Submit your poster at registration desk on March 3, 2020 with following dimensions.

The research poster should be printed only at the following standard size: **(48” TALL x 36” WIDE). OR (60” TALL x 24”)**

The Power Point poster template for standard poster presentation is also given here.

However, we can also print and arrange the standees. For this purpose you have to submit PKR 500 for poster printing. These charges can be submitted by:

- (a) On line under Bank of Punjab, A/C # **03080470021120002**, A/C title **Khalid Mahmood**
- (b) Cash payment to the focal person. The bank receipt should be email to Dr. Khalid Mahmood (Khalid_mahmood856@yahoo.com, +923009678458).
