

Government College University Faisalabad is a leading institution of higher education that attracts best talent from across the country. Through its quality education, competitive research output and academic excellence, GCUF has established its repute as a platform for liberal exchange of ideas and innovative experimentation to keep pace with recent technological advancements. Since its inception in 2002, the University has consistently been raising its standard to provide its staff and students conducive environment for personal growth and intellectual vitality. With its state of the art laboratories, capacious seminar halls, two campuses, two sub-campuses and above 350 affiliated colleges and updated libraries, the University offers an ideal atmosphere for conventional as well as emerging fields of contemporary significance through its 8 faculties and 60 departments. With our vibrant staff equipped with theoretical and applied expertise, contributing quality research in national and international journals, academia-industry linkages, and MoUs and alliances with international institutions and Universities, we are striving to produce trained human capital capable of acting as catalysts for positive social change. Our social capital and economic resources under visionary governance and leadership are exerting to produce a class of informed professionals of high moral character for the socio-economic uplift of national society and humanity at large. I am delighted to welcome you to this prestigious seat of learning to groom yourselves as skilled leaders of tomorrow to cope with national and global challenges.

Vice Chancellor Prof. Dr. Shahid Kamal

Introduction and Purpose

Government College University Faisalabad has 8 faculties comprising 60 departments in addition to 1 community college that currently runs 8 ADPs: Food Science, Applied Psychology, Commerce, BBA, Accounts & Finance, Computer Science, IT and Public Administration. Directorate of Undergraduate Studies (DUS) was established in 2012 in order to maintain the record of undergraduate students from admission till completion of degrees. The Directorate maintains the record of all the students admitted in undergraduate programs. The Directorate has also the responsibility to facilitate the students in their academic issues i.e. enrollment, re-enrollment, freezing/de-freezing a semester and other academic matters during the course of studies. The goal of the Directorate is to help students achieve academic success by providing extensive academic advisory support throughout their stay in the University. Accordingly, the Directorate coordinates with faculties to establish and administer academic policies, assist with undergraduate curriculum development, review, and support proposals for new and revised undergraduate programs and courses through various approval processes.
