**Subject: Webinar Lecture Series of Industrial Gurus, 2021**

Respected Colleagues,

With reference to the subject cited above, keeping in view the direly needed interaction of our graduates with industrial people, the Directorate of Industrial Linkages is going to start a webinar series of Industrial Gurus, 2021. You are requested to link us with the renowned industrial resources in your field and submit the topics and Industrial expert name of your field, through hard or soft form, in the office of the undersigned as soon as possible.

It is also requested to disseminate the webinar information to the respective students of your department to participate for learning and interaction with Industrial experts.

Thanking for your cooperation

**Dr. Muhammad Umair Arshad**  
Director  
Directorate of Industrial Linkages
